## SOCIAL SECURITY: The Inside Story, 2016 Ed.

**SOCIAL SECURITY: THE INSIDE STORY, 2016 Edition** is the proven resource for you and your family, giving you the Social Security and Medicare answers you need. It's been called *the best* resource on the topic since 1993, and now is completely updated and expanded with Reform Notes, Tips For Success, and web links to pinpoint the information you need.

- Dozens of examples show how Social Security works for individuals, families, and survivors.
- Charts, figures, and tables clarify key provisions.
- An entire chapter reveals strategies to maximize your Social Security, and includes changes in the 2015 Budget Act.
- Medicare is finally understandable with a new “three pathways” approach.
- Reference tools include new footnotes, a glossary, index, and appendices to help you find answers fast.

*“Absolutely the Social Security bible.”*

—Mary Beth Franklin, *Investor News*

*“The best explanation of Social Security I’ve ever seen.”*

—Retired Social Security claims representative

**Andy Landis** has been called the Social Security “guru.” He is one of the nation’s foremost authorities on Social Security and Medicare, in demand nationwide as an author, speaker, and consultant.

Andy has guided tens of thousands to abundant retirements while working at the Social Security Administration, AARP, multinational corporations, and his own practice, Thinking Retirement.
