

Andy Landis
Thinking Retirement
“Education for the abundant retirement”

Bio

Andy Landis is one of the nation’s foremost authorities on Social Security and Medicare, in demand nationwide as an author, speaker, and consultant.

Andy is the author of the bestselling book *Social Security: The Inside Story*, called the “Social Security bible” and available from Amazon. He is a regular blogger for the *Wall Street Journal’s* “MarketWatch” site. He has appeared on TV’s Fox Business News and PBS, and is a frequent guest on radio.

Andy has guided tens of thousands to abundant retirements while working at the Social Security Administration, AARP, multi-national corporations, and his own practice, Thinking Retirement.

Through Thinking Retirement, Andy educates both individuals and financial professionals with live workshops, books, articles, webinars, and professional education courses.

Andy lives in Seattle with Kay, keyboards, camper, computers, cars, and sometimes kids.
